I certify that the trees will be planted in New Jersey for forestation and/or conservation projects only. I understand and certify that I will not resell or remove any forestation stock, obtained pursuant to this agreement, from the property for ornamental use as living trees, or for use as Christmas trees. The terms forestation and conservation mean the planting of trees for legitimate conservation/education projects as described in N.J.A.C. 7:3-2.4(a), including lumber and cordwood production, school and youth conservation/education projects, protection of watersheds, soil erosion, and screen for windbreaks and aesthetics. I understand that if I violate any condition of sale of this agreement I am required to reimburse the Department for the value of the tree removed and any administrative costs incurred by the Department as a result of the breach. I have read, understand and agree to be bound by the conditions of sale enumerated in this agreement.
